On departure the angler's spot must be clean and everybody is obliged to take away the accumulated waste.

When the 14 days are over, the angler is allowed to register into any free places. These provisions apply also to people who do fishing for fewer than 14 days (e. g. after a 7-day period of fishing it is not allowed to register into the area for 7 days).
- It is possible to book in advance.

- It is **STRICTLY FORBIDDEN** for unauthorised people to stay and swim at the designated shore segment.

In this case the area ticket is the invoice of payment in cash issued by the owner of the area by means of which the angler can certify that the price of the area ticket has been paid. It is possible to buy an area ticket in the buildings of the Municipality of Gyékényes (8851 Gyékényes Szabadság tér 7 – ground floor, door 4). Registration can be completed here and it is necessary to have the ID card, the residence card, the state angler's ticket and the area permit for this procedure. The registration is carried out by Csilla Bodó, the employee of the Fishing Association. Telephone number: +36/30/545-80-49; e-mail: [gyekenyeshorgaszegyesulet@gmail.com](mailto:gyekenyeshorgaszegyesulet@gmail.com).

On the area ticket the name, the address, the ID card number, the number of the state angler's ticket, the number of the area permit and the period of time (in hours) that the angler will spend at the rented spot are recorded. The abovementioned data are given on a voluntary basis, for the purpose of registration and the data are handled exclusively in connection with that.

The angler's spots can be occupied only after registration and if the angler possesses a valid area ticket and an area permit. These documents are checked by the fishery officers of the association. In case some documents are missing they must be supplied immediately. Otherwise the angler must leave the designated area.

In the case of a repeated or egregious violation of the rules the person concerned may be banned from the area and it is possible that an area ticket will not be issued for them.
